# Our Patron & Founder

## Hon. Sharadchandraji Pawar

Hon. Sharadchandraji Pawar Since formation the Society (Shri Gajanan Maharaj Shikshan Prasarak Mandal) had patronage of Hon. Sharadcharaji Pawar, than Chief Minister of Maharashtra State.

'Saheb' is a great visionary & leader of masses.

'Saheb' is among the tallest, multi-faceted personalities in the Indian Politics. He groomed himself from a common man's background to the level of the most popular leaders of this nation. Having come from a rural background he had a experience of the difficulties people face in the rural area, he always has a strong aspiration to bring a change in the life of people through education.

Late Mr. Vilas Tambe was a common party worker, but had proximity to 'Saheb' due their common views & vision about development & nourishment of masses through Education.

This vision further created A family of strong moral values, educational excellence named Shri Gajanan Maharaj Shikshan Prasarak Mandal. 'Saheb' has always helped us in grooming this Society, through his valuable guidance, even when he is shouldering big responsibilities at the state and national level.

His association with us earned Shri Gajanan Maharaj Shikshan Prasarak Mandal the fame. The interest and care taken by 'Saheb' has always kept the graph of the development of this Society on the rise.

## Late. Vilasrao Tambe

Late Vilas Tambe was the spirit behind the inception of Shri Gajanan Maharaj Shikshan Prasarak Mandal. He was the architect of its total planning and the execution. His commitment to educate the people of rural Maharashtra and bring them to the mainstream of modern education could be reflected in his choice of the career as a Primary School Teacher, in his days of struggle. He had a great organising capacity & had a quality to inspire devotion in others. He dedicated a larger portion of his personal property for the cause of education.

He was very strict to his Values & Goals of Life. This brought him to a commanding position in all spheres wherever he worked . He took the responsibility of leading the destiny of Shri Gajanan Maharaj Shikshan Prasarak Mandal on his shoulders in 1990 as the President of this Society. He remained closely and actively associated with the Society as its guiding spirit till time snatched him away from us on 13th February 2011. Whenever any problem of was brought to his notice, his disease, physical weakness did not stop him from giving his valuable guidance for the growth of the organisation.

Today his voice is silent but the spirit sustains and its presence in the form of various institutions, guides us to the path of growth. Our tribute to this great man of wisdom cannot be paid in words. We can only try to make his Dream to Come True through our hard work & dedication towards Shri Gajanan Maharaj Shikshan Prasarak Mandal.

# “From The President Desk”

## My Dear Students

*It is indeed my privilege to welcome you to pursue your education with us. I believe that transformation of India from a Developing Nation to a developed nation can only be knowledge driven. I am confident that you will find a pathway to a bright future in a chosen career or profession.*

*Shri Gajanan Maharaj Shikshan Prasarak Mandal is a group of various multi faculty institutes from Pre-Primary to Post-Graduate, setting academic and professional excellence. The society has taken all efforts to provide the very best*

*in learning facilities and academic standards.*

*Till Today, we have travelled many more miles ahead over the past almost 3 decades with expertise put together by the family of our expert teachers and alumni with the support of students & parents. We continue to venture into making high grade institutions of quality.*

*I do hope you are admitted to the branch of study that you wish to opt for and go to achieving your ambitions in life.*

### **Vishal Vilasrao Tambe**

President,  
Shri Gajanan Maharaj Shikshan Prasarak Mandal  
Ex. Chairman, Standing Committee, PMC  
Corporator, Pune Municipal Corporation

# “From The Secretary Desk”

## Welcome friends.....

*It gives me great pleasure to greet the new students at our Dnyanvilas College of Pharmacy and to assure them of a promising future filled with fulfilling life. Similar to other fields including industry, science, technology, and information technology, education is going through major transformation. We sincerely hope that these developments in the field of education would help the younger generation.*

*The future of the nation depends on the future of the young generation. So in order to secure the future of our students it is important that they must get best education.*

*Let us together transform our society through education. Join us in our noble journey, a journey towards perfection through education. In addition to academic quality, we value diversity because it is one of the most treasured tenets of the Institute.*

*I welcome you to Shri Gajanan Maharaj Shikshan Prasarak Mandal and hope that your journey at SGMSPM would be enjoyable, enriching and empowering.*

*So...thanks for joining us..let's grow together for bright future.*

**Vaibhav Vilasrao Tambe**

Secretary

Shri Gajanan Maharaj Shikshan Prasarak Mandal

# “ From The Principal Desk ”

## Welcome friends...

*Greetings from Dnyanvilas College of Pharmacy, Pimpri-Chinchwad, Pune. According to industry forecasts, India is projected to rank sixth globally in terms of absolute size and among the top three pharmaceutical markets in terms of incremental growth. A dynamic professional education focused on protecting the public's health as well as the advancement of the nation and the individual, is pharmaceutical education. India is also growing as a centre for healthcare. The need for more qualified skilled manpower capable of assuming a variety of professional jobs in the pharmaceutical and healthcare industries has arisen as a result of the Indian pharmaceutical market's extraordinary growth.*

*We aim for all students to be happy and to be challenged in a supportive and safe environment for their holistic development. We shall incubate the skill set in our students that are required to access increased opportunities therefore enhancing their life chances, insisting on high expectations and developing and aspirational college community that engages with all parents and carers. The implementation of outcome based education and concept of total quality management (TQM) in pharmacy education will help bring honors and recognition to our college.*

*Thank you all the best.*

**Dr. Pramod Liladhar Ingale**

Principal  
Dnyanvilas College of Pharmacy

## About Us

Estd. 9th August 1990

### **SHRI GAJANAN MAHARAJ SHIKSHAN PRASARAK MANDAL**

*Shri Gajanan Maharaj Shikshan Prasarak Mandal is a dream come true of its founder Late Vilasrao Tambe Sir an Educationalist and above all a great visionary, who nearly single handedly laid the foundations of this Educational Society. What started in early 1990 as a small school, blossomed into a set of Educational Institutes for quality education, ranging from the Pre-Primary to Post-Graduate Colleges*

*Today our institution is one of the Premier Educational Society in Pune District. The Society is functioning with its vision for social transformation & upliftment of rural masses through education, training and research. We at SGMSPM, are working with a team spirit, dedication, sincerity and enthusiasm to build ourselves and the society as a whole with the help of our team of highly qualified faculty. We believe in giving beyond what is necessary, excelling beyond the defined norms and achieving success beyond all expectations. Students here are provided education to continue intellectual development and to contribute to the*

### **DNYANAVILAS COLLEGE OF PHARMACY**

*The Dnyanavilas College of Pharmacy was founded in 2018 in the Dudulgaon, Pimpri-Chinchwad, Pune near to Alandi area with the goal of assisting the local students in light of the increasing demand for a variety of health industry professions and the availability of employment opportunities. The institute is approved by Pharmacy Council of India, New Delhi, Government of Maharashtra, Mumbai, DTE, Mumbai, Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, MSBTE, Mumbai.*

*The college offers State of art infrastructure facilities and a great academic environment to students. The college has quickly gained an excellent grade from Maharashtra State Board of Technical Education, Mumbai. The college features sophisticated technology in its well-equipped departments and buildings. The college strives to promote innovation in the pharmacy and pharmaceutical science fields by encouraging young pharmacists to use their imagination and creativity.*

## VISION

To be a leading value based Pharmacy education institution ensuring academic excellence and fostering Research, Innovation and Entrepreneurship.

## MISSION

- Deliver curricula designed by council to meet the changing needs of pharmaceutical sector globally, through student-centric teaching- learning methodologies, imbibing experiential, innovative, lifelong learning skills, with social outreach and holistic development of students.
- Strengthen the Educational Social Responsibilities (ESR) of the institution.
- Develop competent Pharmacist with the spirit of Research and Entrepreneurship.

## SALIENT FEATURES :

- The institute offers D. Pharm and B. Pharm programmes affiliated to Maharashtra State Board of Technical Education, Mumbai & Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad.
- D.Pharm programme of the institute has got excellent grade from Maharashtra State Board of Technical Education.
- Implementation of G-Suite for education & ERP software for effective teaching and learning.
- Well qualified and experienced teaching Faculties, 7 faculty members have completed Ph.D. and 12 are pursuing Ph.D.
- Faculty members have their research published in peer reviewed journals and faculty have got 7 patent granted.
- MOU with industries, research centers and hospitals to facilitate research, training & placement activities.
- State of art infrastructure facilities, Smart classrooms, well equipped laboratories, sophisticated instruments like HPLC (Shimadzu), UV (Shimadzu 1900i), Viscometer, etc.
- Enriched library with reference book and textbooks, subscription of National and International journals, e-journals, membership of National Digital Library.
- Student's centric teaching and learning with emphasis on holistic development through curricular, co-curricular, social and extracurricular activities.

## PROGRAM EDUCATIONAL OBJECTIVES

### PEO-1 : KNOWLEDGE AND CREATIVITY :

The students will expand the knowledge base by lifelong learning in various fields of pharmaceutical sciences, transforming knowledge to convey technical competency and problem solving skills, through creativity, competency, research spirit and innovativeness.

### PEO-2 : PROFESSIONAL VALUES :

The students will become a competent pharmacy professional and work at responsible positions in various areas of pharmaceutical and healthcare industry showcasing professional, legal, ethical and social values for providing services to the society in promoting healthcare, environment and social awareness.

### PEO-3 : MANAGERIAL SKILLS AND ENTREPRENEURSHIP :

The students will interconnect effectively, reflecting professionalism, leadership and commitment to teamwork while practicing pharmacy profession, imbibing substantially relevant and unique expertise to develop entrepreneurship.

- Mentor-mentee system for effective counseling of students.
- 360° feedback management from all the pillars of education.
- Strategic locations with good connectivity and proximity
- Personality development through value addition and skill development programmes.
- Hands-on social learning experience through extension activities and community outreach programmes.
- Excellent indoor and outdoor sports facilities.
- Zero tolerance regarding ragging.
- Active Industry-Institute partnership cell.

# DNYANVILAS COLLEGE OF PHARMACY

## - COURSE AND ELIGIBILITY -

Name of Course	Intake	Duration	Eligibility
<b>First Year B.Pharm</b>	100	4 Years	Passed HSC or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology and obtained at least 45% marks (at least 40% marks in case of candidates of Backward class categories, Economically Weaker Section and Persons with Disability belonging only to Maharashtra State) in the above subjects taken together; should have appeared in all the subjects and should obtain non zero score in CET conducted by competent authority
<b>Direct Second Year B.Pharm</b>	-	3 Years	Passed Diploma Course in Pharmacy with at least 45% marks (at least 40% marks in case of candidates of Backward class categories, Economically Weaker Section and Persons with disability belonging to Maharashtra State only) from an All India Council for Technical Education or Pharmacy Council of India or Central or State Government approved Institution or its equivalent. Any other criterion declared from time to time by the appropriate authority as defined under the Act.
<b>First Year D.Pharm</b>	60	2 Years	Pass HSC with Physics and Chemistry as compulsory subjects along with one of this subject Mathematics Or Biology.

*Shaping future pharmacist...*

## INFRASTRUCTURE

### Class rooms :

The smart classrooms are naturally light-filled, well-ventilated, and equipped with the newest educational audio-visual technology along with comfortable seating to promote easy learning. Clear understanding and focused discussion are supported in the smart classroom setting. Everything needed for virtual learning is available in the smart classrooms.

### Library :

The college library is spacious well-furnished, well-stocked, and well-arranged. The reading hall is situated such that natural light is used to its fullest potential, which helps teachers and students learn. The goal of the DVCOP library is to provide information to pharmacy students at every level. There are adequate number of text and reference book titles and volumes in the library. Additionally, it subscribes to magazines, e-books, k-Hub. The library is automated using library automation software has subscribed and national and international journals that are necessary for the pharmacy sector.

### Laboratories :

The institute offers well-designed, spacious laboratories that are furnished with modern teaching and training resources for a range of pharmacy-related topics. The laboratories are well-planned in accordance with national regulatory bodies norms and regulations as well as international standards. A large instrumentation room with a variety of advanced analytical equipment is set up independently.

### Museum :

The college has created a museum with a variety of formulations, including oral liquids, lotions, ointments, solid dosage forms, Ayurvedic remedies, dental items, cosmetics, and more. The college also maintains herbarium and an ancient drug museum.

## Medicinal Plant Garden :

The College has land for medicinal plant garden which contain more than 50 medicinal plants. It also serves as a conservation source of standard specimens.

## Canteen :

DVCOP has the facility of spacious, clean and hygienic canteen that caters to the taste of all students. It provides all type of nutritious and hygienic eatables and beverages to cater to the students, staff and visitors.

## Department of Pharmaceutics :

The branch of Pharmacy known as Pharmaceutics handles every aspect of converting a novel chemical entity (NCE) into a dosage form that can be utilized in clinical settings safely and effectively. Examples of these dosage forms include tablets, capsules, oral liquids, ointments, injectables, aerosols, and transdermal patches. Students enrolled in the Pharmaceutics department receive training in a variety of formulation development methodologies and associated quality control issues in well-equipped laboratories. The Department's primary equipment includes a Centrifuge, Autoclave, Hot air sterilizer, BOD incubator, Tablet coating pan, Ampoule washing machine, Tablet punching machine, and Dissolution test instrument.

## Department of Pharmaceutical Chemistry :

The Department of Pharmaceutical Chemistry is an essential component of any pharmacy education program, as it covers several aspects of new drug discovery and development. The department teaches General Chemistry, Biochemistry, Pharmaceutical Organic Chemistry, Medicinal chemistry, Inorganic chemistry, and Pharmaceutical Analysis for the four-year B. Pharm program. Major instruments in the department include a HPLC, UV Spectrophotometer, Photofluorimeter, Flame Photometer, Nepheloturbidometer, pH meter, Colorimeter, Conductometer, Muffle furnace etc.

## Department of Pharmacology :

The pharmacology department lays strong emphasis on education in pharmacology, toxicology & other related subjects. A primary objective of pharmacology is to investigate the fundamental aspects of molecular bio-regulatory mechanism of the cell and understand how the drugs act in order to develop new drug for treatment of diseases. Toxicology examines toxicity and adverse effects of developed drugs, mechanisms of chemical agents. The department is equipped with software for various practicals. The major equipments available in the department Actophotometer, Analgesiometer (Tail flick), Pole climbing apparatus etc.

## Department of Pharmacognosy :

The science that studies medicine made from natural sources is called Pharmacognosy. The field of Pharmacognosy is concerned with the remarkable progress in the understanding and application of biologically derived therapeutic compounds (plant, microbe, and animal products) for both human and veterinary applications. The major instruments available like Soxhlet apparatus, Muffle furnace, Projection microscope, etc.

## Scope of

## Pharmacy

- Government Drug Inspector / Analyst
- Food & Cosmetic Industry
- Regulatory Affairs / Quality Control and Assurance
- Pharmaceutical Production
- Hospital / Clinical Pharmacy
- Pharmaceutical Marketing
- Overseas Job Opportunities / Research & Development
- Govt. Job through MPSC & UPSC
- Pharmacovigilance, Medical writing, Coding and Medical Scribe
- Higher Education

## Co-curricular Activities :

Involvement in the co-curricular program at Dnyanvilas College of Pharmacy provides an opportunity for achievement, enjoyment, the establishment of lifelong friendships and, above all, a well-rounded college experience. The main goal of the co-curricular program is to give students an opportunity to express themselves and develop skills outside of the classroom, while also enhancing social skills and mental health. In all codes emphasis is placed on teamwork, spirit, co-operation, communication, grit and resilience.

## Extracurricular Activity :

Students celebrating a wide range of extra-curricular activities. Such activities provide students with the opportunity to become familiar with sports, art techniques and to discover their own talents. These activities develop each student's potential in a positive and encouraging environment in which each student can strengthen their relationship with others. These activities motivate students to become more effective learners. We do this through a diverse and varied menu of activities that enrich and extend the students' college life and lead to the overall development of the student.

## Sports and Cultural Activity :

There is enough space for playground on the campus of the college. Colleges provide sports trainers and a variety of sporting facilities (such as cricket, football, volleyball, carom, etc.) to help students develop their athletic abilities and become all-around players.

## Training & Placement :

The Training and Placement Cell is one of the integral parts of our college. Training & Placement activities are organized throughout the year with a view to prepare the students to appear in the campus recruitment process with confidence. The role of the T&P cell is to inculcate corporate culture & competitiveness as required in the global market. Hence this cell plays a vital role in grooming students in the latest technologies of the corporate world.

T & P cell also instills ethical professional values in students. The objective of the cell is to conduct placement activities by liaising with the corporate world. Consistent efforts over the last few years from this cell have led to very high placement records. T&P cell bridges the gap between Industry and Institute by conducting training sessions for the students from time to time by inviting corporate professionals. TPO identifies the need of corporate professionals and also conducts sessions for the students regarding this to give maximum knowledge.

We constantly strive to give students maximum opportunities for placements and get them good packages. We are sure that our final year students will bring glory to the institute by placing themselves in eminent industries and well-respected companies.

## • NAME OF AWARDS & HONOURS •

- Our College has received the Award and Certificate of Excellence, in recognition of outstanding performance and premium quality work for Pharmacy Institute of the Year 2023, at the hands of Hon. Mangal Prabhat Lodha (Cabinet Minister for Ministry of Tourism, Ministry of Skill Development and Entrepreneurship (Maharashtra State), in presence of Lt. Gen. Madhuri Kanitkar (Vice-Chancellor MUHS).
- Our Institute received an outstanding grade from Maharashtra State Board of Technical Education, from Mumbai.
- Our Institute secured 5<sup>th</sup> position in general scoring criteria UG on 62<sup>th</sup> National Pharmacy Week Event.

## RULES & REGULATIONS

1. The Student should strictly obey the instructions given by the Principal / Director from time to time.
2. The Student should be regular in attendance and his/her attendance for the day shall be marked only when he/she is present for all the sessions during the day. Minimum 75% attendance is compulsory for grant of term. If the student is found irregular in attendance, he/she shall be expelled from the College.
3. The Student found guilty of an act of misconduct either in the College or outside shall be subjected to strict disciplinary action and may be expelled from the College.
4. The student should carry identity card with him regularly and the identity card should be produced when demanded by the authority of the institute. Any changes in the address of student must be intimated by him/her in writing to the college office immediately.
5. The student is required to submit the assignment failing which he/she shall be subjected to disciplinary action.
6. The Vehicles should be parked on place notified and the vehicles parked elsewhere i.e. Other than parking zone shall be confiscated.
7. Student should drive safely inside the campus as well as outside the campus. For two wheeler users, use of helmet is compulsory.
8. The student should not cause any damage to the institute's property. The damage caused shall be recovered from student immediately.
9. The attendance for the tests and tutorials conducted in the College is compulsory.
10. If the student is found weak in certain subjects he/she will have to attend extra classes as notified and make the required progress to come at par with the other students.
11. Strict silence should be observed in the library. Loitering in corridors is strictly prohibited.
12. The student coming late shall not be allowed to enter the class.
13. The student should read the notices displayed on the notice board regularly and the College will not be responsible for the loss or any disadvantage due to negligence of reading notices on the part of the students.
14. In case, a student requires to remain absent for some reason, he/she will be required to take the prior permission of the Head of the Department / Teacher co-ordinating.
15. Use of the phones/cameras/camera phones is prohibited in the campus.
16. Smoking, drinking (alcohol) and use of 'Drugs' is strictly prohibited in the college premises and the hostel.
17. Mal-practices during all examinations and tests will be taken seriously and disciplinary action will be taken against the defaulters. Punishment for mal-practices during examinations would be very serious and may involve debarring from examination.
18. Ragging of students in any form within or outside the college and hostel is strictly prohibited. Defaulters will be strictly dealt with as per anti ragging ordinance.
19. If any of the statement made in application form or any information supplied by the student to college authorities is found to be false or incorrect later on, his/her admission will be cancelled, fees forfeited and he/she will be expelled from the college and prosecuted as per rules if deemed necessary.
20. The above rules of discipline are always subject to change, modification,

addition, omission, alterations as and when the Management feels it fit and proper and the decisions of the Management shall be final.

### Anti-ragging Rules & Regulation :

UGC regulation on curbing the menace of ragging (under section 26 (l) (g) of the university grant commission act, 1956 New Delhi - 110002, the 17<sup>th</sup> June 2009)

#### Ragging in any form is strictly prohibited in the institute.

1. Ragging within the Institute campus and hostels is strictly prohibited.
2. Ragging in any form is prohibited also in the private lodges/ buildings where these institute students are staying.
3. No person including students/ staff/ faculty shall participate or abet or propagate ragging in any form.

#### What constitutes ragging ?

- (a) Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student.
- (b) Indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological or physical harm or to raise fear or apprehension thereof in a fresher or a junior student.
- (c) Asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.
- (d) Teasing, embarrassing, humiliating, assaulting or using criminal force or criminal intimidation, wrongful restraining or confining or causing grievous hurt, kidnaping, and extortion or molesting or committing unnatural offences or causing death or abetting suicide, use of criminal force, criminal trespass and intimidation.

#### Punishments :

Ragging is a cognizable offence under the law and the punishments to be meted out have to be exemplary and justifiably harsh to act as a deterrent. It may include :

- (a) Cancellation of admission, suspension, rustication or expulsion from the Institute / Hostel.
- (b) FIR with the police and arrest.
- (c) More severe punishment where justified such as fine / imprisonment etc.
- (d) Collective punishment may be imposed where involved persons are not identified.

#### Admission cancellation & refund of fees :

It will be as per the rules of admission regulatory authority Maharashtra State.

**Ms. Shiwani Deshpande**  
M. Pharm (Pharmaceutics)  
B. Pharm 2018-2022

As a proud alumnus of Dnyanvilas College of Pharmacy, I wanted to take a moment to share my thoughts and reflections on my time there. The campus facilities, including Library and labs, were well maintained. The professors were dedicated and approachable. My heartfelt appreciation goes out to the dedicated faculty and staff who shaped my journey. Seminars on career guidance and GPAT were helpful in shaping my professional path. Our Principal sir Dr. Pramod Ingale's support and proactive approach made a significant difference

His leadership ensured a nurturing environment for all students. I cherish the memories of participating in various extracurricular activities/event which helped me a lot. The annual fest was a vibrant, celebration of diversity and talent. Dnyanvilas College of Pharmacy played a vital role in shaping my career, and I am grateful for the education and experience it provided. Thank you!!

**Mr. Pratik Shankar Rakshe**  
MS Pharma (Toxicology) NIPER, Hajipur  
B. Pharm 2018-2022

My college days are the best part of my life. My department encouraged me to explore my talent & potential by providing an exceptional integrated learning environment.

I am really grateful to my teachers who have changed my whole aspect towards learning. I express my heartfelt thanks to the institution for giving me the perfect opportunity to explore myself. I am grateful to be part of such an institution.

**Mr. Akash Jitendra Bhage**  
M.S. (Pharm) in Pharm. ana. at NIPER Hajipur  
B. Pharm 2019-2023

My journey at Dnyanvilas college of pharmacy has been nothing short of transformative. As a B. Pharm student, I have received an education that is both rigorous and inspiring, preparing me thoroughly for a dynamic carrier in pharmacy. All resources have been invaluable in providing hands-on experience and fostering a deep understanding of pharmaceutical sciences.

The faculty members are experts in their respective fields and bring a wealth of knowledge and real-world experience to the classroom. Their dedication to teaching and mentoring has been instrumental in my academic and personal growth.

**Ms. Jyoti Balasaheb Yadav**  
MS Pharma (Toxicology) NIPER, Ahmadabad  
B. Pharm 2018-2022

I pursued my B. Pharmacy here in Dnyanvilas College of Pharmacy where my overall college experience had been quite enjoyable. College have got all the necessary facilities, infrastructure and equipment's.

All the faculties have got good knowledge on their respective subjects; notes and contents shared by the faculty aids each student to understand and grasp the respective subjects in detail and depth which in turn helps him/her to crack University exams with remarkable scores. Last but not the least, life in DVCOP is so cheerful and enthusiastic providing you the best among the variety. Best Wishes!

**Mr. Shrishail Santosh Chivte**  
Territory Sales Exe. - Sun Pharma Lab. LTD.  
D. Pharm 2019-2021

My time at Dnyanvilas College of Pharmacy truly changed who I am and who I still want to become professionally. The faculty members are always supportive, kind and more importantly, treat students as their own.

I have become more confident due to such a nurturing and friendly environment. Every single student's intellectual potential can be fully explored owing to the rigorous training and constant mentorship one gets from this college. All these reasons make DVCOP one of the best colleges out there to do a professional degree and I'm very sure that it will bring the best out of you. Proud to be a DVCOPian.

**Mr. Sanket Balasaheb Pansare**  
Owner-Pharmacist  
D. Pharm 2018-2020

Being a part of the ever expanding alumni base of Dnyanvilas College of Pharmacy gives me immense satisfaction to be industry ready even before stepping outside the campus.

The course structure along with the faculty support enabled in refining aptitude and technical skill. With encouragement and assistance from the placement administration officers securing a career with a firm of high reputation was possible.
