DNYANVILAS COLLEGE OF PHARMACY

Institute Managed by Shri Gajanan Maharaj Shikshan Prasarak Mandal

*Shaping
Future
Pharmacists...*

To be a leading value based Pharmacy education institution ensuring academic excellence and fostering Research, Innovation and Entrepreneurship.

- Deliver curricula designed by council to meet the changing needs of pharmaceutical sector globally, through student-centric teaching- learning methodologies, imbibing experiential, innovative, lifelong learning skills, with social outreach and holistic development of students.
- Strengthen the Educational Social Responsibilities (ESR) of the institution.
- Develop competent Pharmacist with the spirit of Research and Entrepreneurship.

Programme Educational Objectives

Knowledge and Creativity :

The students will expand the knowledge base by lifelong learning in various fields of pharmaceutical sciences, transforming knowledge to convey technical competency and problem solving skills, through creativity, competency, research spirit and innovativeness.

Professional Values :

The students will become a competent pharmacy professional and work at responsible positions in various areas of pharmaceutical and healthcare industry showcasing professional, legal, ethical and social values for providing services to the society in promoting healthcare, environment and social awareness.

Managerial Skills and Entrepreneurship :

The Students will interconnect effectively; reflecting professionalism, leadership and commitment to teamwork while practicing pharmacy profession, imbibing substantially relevant and unique expertise to develop entrepreneurship.

Principal's *Message*

It is my honour and pleasure to write the introductory message for this placement brochure 2024-25.

Dnyanvilas College of Pharmacy, established in 2018, is an academic institute imparting quality pharmacy education. DVCOP focuses on developing skilled professionals in the field of pharmaceutical sciences having updated knowledge, requisite technical skills and innovative thinking abilities. We at DVCOP strive for imparting value-based education having positive impact on fostering students of high integrity and morality. Our institute provides conducive teaching-learning environment coupled with exposure to co-curricular and extra-curricular activities that help the students their holistic development.

Through this placement brochure I invite you to participate in our placement activity. This brochure will give you a brief profile of our B. Pharm. students graduating in 2025.

I look forward to invite organizations to get associated with us in our placement drive and to build a sustainable and mutually beneficial relationship.

I also wish our students a fulfilling professional journey ahead.

Dr. Pramod L. Ingale

Principal
Dnyanvilas College of Pharmacy

Email : pramod.ingale@dvcop.com

T & P Cell *Message*

Hey All,

Greetings from Dnyanvilas College of Pharmacy!

A warm welcome to Training & Placement Cell of Dnyanvilas College of Pharmacy. It gives us immense pleasure to introduce you to our college placement cell.

The role of T&P cell under his leadership is to inculcate corporate culture & competitiveness as required in the global market. Hence this cell plays a vital role in grooming students in the latest technologies of the corporate world.

T & P cell also instills ethical professional values in students. The objective of the cell is to conduct placement activities by liasoning with the corporate world. Consistent efforts over the last few years from this cell has led to very high placement records.

T & P cell bridges the gap between Industry and Institute by conducting training sessions for the students from time to time by inviting corporate professionals. TPO identifies the need of corporate professionals and also conducts sessions for the students regarding this to give maximum knowledge.

We constantly strive to give students maximum opportunities for placements and get them good packages.

We are sure that our final year students will bring glory to the institute by placing themselves in eminent industries and well-respected companies.

We wish all the best from T&P Cell to have a happy placement season 2025 !

Dr. Ashwini N. Devhadrao

T & P Officer

Dnyanvilas College of Pharmacy

Cell : +91 9960451263

Email : ashwini.bansode@dvcop.com

About T & P Cell

DVCOP has established a full fledged Training & Placement Department, to encompass various activities from shaping the students to meet the stringent requirements of the Industry and to make them suitable to excel in the highly competitive business world.

The institute believes that every student who joins the institution deserves to get a potential earning opportunity. The main objective of T & P cell is to motivate and guide students to explore the domains of various career opportunities, entrepreneurship

and enhance functional skills by providing industrial training; industry associated projects & enhances employability skills by honing aptitude skills, communication skills, GD & PI skills. The placement cell is dedicated to identify probable employers & conduct campus interviews. We also invite experts from industries to guide the students on latest technology, expectations from industries and different career options. T & P cell also acts as information source for opportunity in higher education and their qualifying examinations such as GPAT, CAT and GRE etc.

Received best college Award from Navbharat

Skill Development Workshop

Hospital Visit

Industrial Visit At Premium Serum Narayangaon

Final Year B.Pharm. Batch 2024-25 with faculty

PROGRAM OUTCOMES

- 1. Pharmacy Knowledge:** Possess knowledge and comprehension of the core and basic knowledge associated with the profession of pharmacy, including biomedical sciences; pharmaceutical sciences; behavioral, social, and administrative pharmacy sciences; and manufacturing practices.
- 2. Planning Abilities:** Demonstrate effective planning abilities including time management, resource management, delegation skills and organizational skills. Develop and implement plans and organize work to meet deadlines.
- 3. Problem analysis:** Utilize the principles of scientific enquiry, thinking analytically, clearly and critically, while solving problems and making decisions during daily practice. Find, analyze, evaluate and apply information systematically and shall make defensible decisions.
- 4. Modern tool usage:** Learn, select, and apply appropriate methods and procedures, resources, and modern pharmacy-related computing tools with an understanding of the limitations.
- 5. Leadership skills:** Understand and consider the human reaction to change, motivation issues, leadership and team-building when planning changes required for fulfillment of practice, professional and societal responsibilities. Assume participatory roles as responsible citizens or leadership roles when appropriate to facilitate improvement in health and well-being.
- 6. Professional Identity:** Understand, analyze and communicate the value of their professional roles in society (e.g. health care professionals, promoters of health, educators, managers, employers, employees).
- 7. Pharmaceutical Ethics:** Honour personal values and apply ethical principles in professional and social contexts. Demonstrate behavior that recognizes cultural and personal variability in values, communication and lifestyles. Use ethical frameworks; apply ethical principles while making decisions and take responsibility for the outcomes associated with the decisions.
- 8. Communication:** Communicate effectively with the pharmacy community and with society at large, such as, being able to comprehend and write effective reports, make effective presentations and documentation, and give and receive clear instructions.
- 9. The Pharmacist and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety and legal issues and the consequent responsibilities relevant to the professional pharmacy practice.
- 10. Environment and sustainability:** Understand the impact of the professional pharmacy solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- 11. Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change. Self-assess and use feedback effectively from others to identify learning needs and to satisfy these needs on an ongoing basis.
